### Awareness of Risk:

It is important for all participants and parents to know that there is always a risk of bodily injury when participating in a physical activity camp/clinic. It is possible that these injuries may be catastrophic, meaning permanent, serious injury including: partial paralysis, total paralysis, or even death. "Because of the dangers of participating in the above activity, I recognize the importance of listening to and following all of the instructor's instructions and warnings regarding techniques, training methods, rules of the activity and other camp/clinic rules. I understand that all instructions and warnings, verbal and written, are incorporated by reference into this agreement and I hereby expressly promise to obey all such instructions and warnings."

*I have read the above statement and fully understand its implications. I am aware that this is a release of liability and agreement to indemnify, Yuba County, Sutter Union High School, North Valley Volleyball, and any staff, officers, officials, employees, and volunteers connected with the above activities.*
